

### **All international flight amount have been cut down from this Sunday**

According to an announcement by the civil aviation administration of China (CAAC), each domestic airline can only operate one flight to any country from March 29 (this Sunday), and each flight must not operate more than one flight a week with maximum of 75% occupancy. Each foreign airline can only maintain one flight to China, each flight must not operate more than one flight a week with maximum of 75% occupancy.

From this Sunday, for those foreigners who are exempted from the suspending inbound measures, to get a ticket to enter into China also will not be an easy thing. In order to help the foreigner to understand the information of the flights reserved, we prepare the following table for your reference:
